

## Baptism at Pine Island Beach 28 November 2021 – Getting there

Ian has now been to the site and taken these photographs to help you get there:

1. The road is a loop. This sign directs you to the left to get to the beach. Drive to the car park.

2. This photo shows the several sets of about 4 steps that descend from the car park to the beach. You can see that there are handrails. The steps may be a challenge for people with mobility issues.

3. Shows the beach area toward the river where people will stand or sit if you bring your own chair during the baptism service.

4. A view of the river for those being baptised.
