

## Declaration of allergenic substances

A declaration of the following substances is required if present in the food (as these may cause allergic reactions in some people):

- cereals containing gluten and their products (wheat, rye, barley, oats and spelt and their hybridised strains) (except in beer and spirits)
- crustacea and their products
- egg and egg products
- fish and fish products (except for isinglass derived from swim bladders and used as clarifying agent in beer and wine)
- lupin and lupin products
- milk and milk products
- peanuts and soybeans and their products
- tree nuts and sesame seeds and their products
- added sulphites in concentrations of 10 mg/kg or more
- lupins (from 26 May 2018).
